

Dear HR...

Hello I'm Ali Özmaral. I graduate lately and I'm looking for a good opportunity to become qualified engineer. I made mistake a school life and my graduation took much longer than planned. That's why I m looking for a oputunity not just a job.

I'm really energetic and open to learn. I trying to improve myself everyday even in social

media. If you check my account , you can see a lot of person a share information about ML(and those who share a little about football).

I hope I can interest

Have a good day.

Sincerely
